CAKE DECORATING

Are you and your friends looking to learn something new? Why not try your hand at cake decorating? Our classes are perfect for families, friends, office parties, and team building. The best part? You don't have to worry about a thing! Our team will set up all the supplies and tools, and even bake the cakes from scratch. All you need to do is put on a provided apron and relax. Caryn will guide you through each step of assembling, flat icing, and decorating your chosen design. By the end of the class, each participant will walk away with a stunning decorated cake – and no clean-up required!
